Dear Parents / Caregivers,

Device Loans

Thank you for responding to our survey in regards to your availability of devices at home. iPads, tablets and laptops are all devices that can be used at home. If you encounter any technical difficulties please speak to your child's teacher and we will provide assistance.

If you have opted to use a school device, please drive in to the staff carpark at your designated time below and remain in your car. Please call the office on 9520 0277 and a staff member will bring the device and the paperwork for you to sign out to your car. You will need to scan the **QR Code** as you have been onsite and come into contact with a staff member and you must wear a **mask**. Please **bring your own pen** to sign your device loan agreement. Unfortunately our school devices are stored in charging, lockable units and we do not have laptop bags to house the devices we are loaning out. If you have a **suitable bag that will protect the device** we are loaning you please bring that with you. Thank you for your assistance.
