

Dear Parents / Caregivers,

Special Religious Education and Special Education

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, culture, faith and morality from a religious or non-religious perspective at the choice of parents.

The school website <https://yarrowarra-p.schools.nsw.gov.au/> provides information on these options to support parent/carer choice.

A parent/carer may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent/carer has requested a change in writing.

For more information about Special Religious Education (SRE) and Special Education in Ethics (SEE), including the list of approved providers, please visit:
