

Year 5 and Year 6 2024 - Stationery Requirements

Dear Parents / Caregivers,

In preparation for 2024, below is a list of stationery requirements that your child will need for class activities next year. This list should last them throughout the year. If buying in bulk, we find it's best to keep additional items at home and refill as necessary, such as in school holidays.

In class, small pencil cases work best (*smaller than A4 if possible*) and often students have two small pencil cases or 'double decker' ones to save desk space; one part with essential stationery and another with colouring items.

Surprisingly we do still find students in Stage 3 regularly misplace their equipment. Please ensure all items are clearly labelled and then, if misplaced, they can more easily be returned.
